F# **F#sus** **F#**
There are no mystic jewels embedded in my prose
Bsus2
No moonlit haloed cherubs perched on my piano
Bsus2/D# **C#sus** **C# C#sus**
No lyrics laced with pixy dust, no angels sing along
Bsus2 **C#sus** **C#** **F#**
I am just a beggar who gives alms

B **F#**
Gold and silver have I none, but such I have give Thee
D#m **F#/A#** **C#**
Borrowed words from the One who gave the gift to me
B **D#m** **G#**
The pearl that I could never buy, this life, this dream, this song
B **C#** **F#**
And I am just a beggar who gives alms
